Thaddeus Stevens
College of Technology

— WELCOME —

Thaddeus Stevens College of Technology is a premier, residential, two-year, accredited technical college that prepares students for skilled employment in a diverse, ever-changing workforce. Founded in 1905 with 15 students, Thaddeus Stevens College of Technology has grown to more than 1,300 students and 25 high-skill, high-wage technical programs.

Thaddeus Stevens College of Technology was recognized by the Aspen Institute, an independent research panel, as one of the top 120 two-year colleges in the country for six consecutive years - and was the only two-year, technical college in Pennsylvania recognized by the Aspen Institute.
