

## Facilities Maintenance Technician Instructors Openings

Thaddeus Stevens College of Technology announces openings for adjunct Facilities Maintenance Technician instructors in masonry, carpentry, plumbing, electrical, HVAC/R and finishing. Faculty work load includes teaching for three weeks; 20 hours per week for each area of study. Consideration will be given to applicants with expertise in multiple technical areas.

Minimum requirements include five years of trade experience, supervisory experience, and high school diploma.

Preferred requirements include associate degree in related technical areas, working in commercial and/or industrial facilities maintenance technician field, experience working as a member of a team, demonstrated success in working with diverse populations, teaching experience.

Application materials must include a cover letter and current resume submitted to Susan Emswiler, HR Specialist, 750 East King Street, Lancaster, PA 17602. For best consideration, materials should be submitted by Wednesday, October 11, 2017.

Thaddeus Stevens College is an Affirmative Action and EEO Employer. Women, veterans and minorities are encouraged to apply.
