

Thaddeus Stevens College of Technology
750 East King Street
Lancaster, PA 17602

The College is announcing an opening for a part time Adjunct faculty position in Mathematics. This faculty member will teach algebra, trigonometry, calculus, and other advanced math courses. Ability to teach post-secondary remedial mathematics is also encouraged.

Minimum requirement includes a master's degree in Mathematics or in a closely related field. Candidates must have teaching experience. Candidates will work as a member of a faculty team.

Salary and rank is determined on the basis of academic preparation and experience as projected on the Faculty Association contract. Application materials must include a cover letter, a current resume, and academic transcripts. Send required information to Sue Emswiler, Human Resources Specialist, Thaddeus Stevens College of Technology, 750 East King Street, Lancaster, PA 17602

Thaddeus Stevens College of Technology is a residential, two-year technical college that serves economically disadvantaged as well as tuition-paying students. The college prepares students for skilled employment in a diverse, ever-changing workforce and for full, effective participation as citizens of the community, the Commonwealth, and the nation. Committed for over a century to lifelong learning, inclusiveness, and community outreach, Thaddeus Stevens College of Technology dedicates itself to the development of Pennsylvania's technical workforce.

The College is an AA/EEO Employer.
