

Application for Admission

You may also apply online at my.stevenscollege.edu/applynow.

Thaddeus Stevens College of Technology only admits students who have been Pennsylvania residents for more than one year. Fill out this application **ONLY** if you meet that criteria. The Admissions Office files applications for two (2) years. If you have submitted an application within the last two years, please contact the Admissions Office to have the original reactivated.

Applications should be submitted with a \$45 application fee and all supporting documents. Exceptions to the application fee include students applying for Early Enrollment (see back page).

◆ SIGNATURE

By submitting this application, you certify that all information is complete and accurate.

You are also granting permission to Thaddeus Stevens College of Technology, and its subsidiary units, to use photographs, video, audio recordings, and/or textual material created for use in College publications, including web sites or other electronic forms or media, and to offer the photographs, video, audio, or text for use or distribution to other university departments, without notification. In addition, by providing your cell phone number, if accepted to the College, your phone number will be entered in the College's emergency contact database, allowing the College to send you correspondence regarding any necessary information about emergencies on campus.

My signature indicates that I understand that if I am not eligible for enrollment at the college, my contact information will be shared with Harrisburg Area Community College. Students who attend HACC and earn a 3.0 GPA or higher will receive favored admissions status if they decide to re-apply to Thaddeus Stevens for the following school year.

◆ SUBMISSION

Accompanying this application must be:

- ◆ A \$45 application fee (or an application fee waiver, if eligible)
- ◆ All high school transcripts, GED scores and previous college transcripts

An admissions placement test is required as part of the application process. After all materials are received, applicants will be contacted to take the test.

Applicants are not required to take the SAT or ACT exam and submit scores, but it is strongly recommended. Exam scores may exempt a student from one or all portions of the admissions placement exam.

Please send application and all materials to:
